Subversive Champagne Rodney Marshall 2015-01-03 Subversive Champagne re-examines the 1960s cult television series, The Avengers, through a close analysis of 25 filmed episodes. The book examines how The Avengers - during the classic Emma Peel era (1964-1967) - was continually shifting the boundaries of audience expectation, defying both genre classification and viewers' traditional desire for kitchen sink drama. Subversive Champagne centres on eighteen episodes from the monochrome Peel Season 4 - widely acknowledged as the artistic pinnacle of the series. It is in this era - caught between video-tape and colour film - that The Avengers was undergoing arguably its most profound stylistic and thematic transitions, from mild eccentricity to something genuinely experimental. The author extends his journey into the exhilarating but 'uneven' colour Season 5, adding chapters on seven more episodes, thus allowing us to explore the entire Emma Peel era. Entertaining froth or groundbreaking art? Rediscover the most iconic show in television history.

Volg je hart Karen Kingsbury 2017-09-07 'Volg je hart' is deel 3 in Karen Kingsbury's serie 'Angels Walking', een serie over hoop, tweede kansen en engelen, en volgt op 'In mijn dromen'. Tegen het advies van haar dokter in, verhuist Mary Catherine naar Oeganda om daar een weeshuis op te zetten. Alle tijd die ze nog heeft, wil ze steken in het helpen van kinderen, zeker nu ze zelf geen kinderen kan krijgen. De enige die dit plan in de weg staat is Marcus Dillinger, de tophonkballer op wie ze niet verliefd had willen worden. Maar Marcus en haar andere vrienden hebben er geen idee van hoe zorgelijk haar hartproblemen zijn en ze wil hen er niet mee belasten. Na maanden niets gehoord te hebben, krijgt Marcus plots een brief van Mary Catherine met slecht nieuws. Hij besluit meteen in het vliegtuig te stappen om haar naar huis te halen, naar een goed ziekenhuis, voor het ergste gebeurt.

Avengerland: A Critical Guide Rodney Marshall

Adventure & Comic Strip Rodney Marshall 2013-11-05 "Even before Linda Thorson (Tara King) replaced Diana Rigg (Emma Peel) as the female co-lead in the 1960s cult television drama The Avengers, critics such as Barry Norman felt that the formula had already become tired and predictably formulaic. However, the King era was beset with problems of its own: the new producer was fired after just three episodes; conflict over the style of the stories and the role of the new female co-lead; episodes hastily re-worked to meet deadlines. At times it was chaotic; the King era was short-lived and The Avengers came to an abrupt end. Was season 6 simply a disappointing endgame? Exploring each of the thirty-three episodes, Rodney Marshall offers a reappraisal of this 'uneven' yet remarkable final season of the greatest of all television series"--Back cover.

Avengerworld - The Avengers In Our Lives Alan Hayes 2018-01-21 The Avengers was a revolutionary series that always playfully twisted perceptions, pushed the boundaries of its genre and defied those who wished to pigeonhole it. The team behind The Avengers never forgot its primary objective was to entertain. And entertain it certainly did, inspiring successive generations to welcome The Avengers into their hearts. Right from its foreword by pioneering television historian Dave Rogers to its afterword by Jason Whiton of SpyVibe, Avengerworld celebrates the series, its international fandom and its fans. Over the course of more than forty essays, Avengers fans the world over relate how they first encountered the series, how they grew up with it at their sides, made friends, engaged with fandom and were inspired to do extraordinary things. Proceeds from this book will be donated to Champion Chanzige, a charity organisation that exists to improve conditions for underprivileged children at a primary school in Southern Tanzania - and helps them to do extraordinary things too.

Encyclopedia of Television Pilots Vincent Terrace 2020-01-17 On November 27, 1937, NBC presented TV's first pilot film, Sherlock Holmes (then called an "experiment"). Thousands of pilot films (both unaired and televised) have been produced since. This updated and restyled book contains 2,470 alphabetically arranged pilot films broadcast from 1937 to 2019. Entries contain the concept, cast and character information, credits (producer, writer, director), dates, genre and network or cable affiliation. In addition to a complete performer's index, two appendices have been included: one detailing the pilot films that led to a series and a second that lists the programs that were spun off from one series into another. Never telecast pilot films can be found in the companion volume, *The Encyclopedia of Unaired Television Pilots, 1945-2018*. Both volumes are the most complete and detailed sources for such information, a great deal of which is based on viewing the actual programs.

Blurred Boundaries Rodney Marshall 2016-11-16 In the mid-1980s, in Edinburgh, Ian Rankin was hatching a plot for a 'crime thriller' from his student digs. *Knots & Crosses* - like its frayed protagonist John Rebus - was rough around the edges but marked a promising debut. More than a quarter of a century later, Rankin and Rebus have a global following. The series has been both critically acclaimed and commercially popular. Detective John Rebus is anything but conventional. The same can be said of Ian Rankin's innovative texts which take crime fiction far beyond formulaic genre, producing radical, disruptive, borderline texts. In the first ever full-length study of all twenty-one Rebus novels, Rodney Marshall argues that Rankin's fiction continues to break new ground, blurring the boundaries between traditional detective novel and modern literature. November 2016 fifth edition: now includes an exclusive eighteen page interview with Ian Rankin and a chapter on *Rather Be The Devil*, Rankin's new Rebus novel.

Generation Zero #1 Fred Van Lente 2016-08-24 Because you demanded it! Exploding out of the pages of HARBINGER WARS comes AN ALL-NEW ONGOING SERIES starring GENERATION ZERO from New York Times best-selling writer Fred Van Lente (IVAR, TIMEWALKER) and blockbuster artist Francis Portela (FAITH)!? If you have a problem... If your parents won't help? And if your cause is worthy? Log onto network #ZERO?because Generation Zero is listening. Years ago, the children of the experimental strike team known as Generation Zero were taken from their families by Project Rising Spirit, a private weapons contractor, and raised to be psychic soldiers. After years of taking orders, they have fought for and won their freedom. Now, the world's most wanted teenagers have pledged to protect each other tooth and claw, while using their extraordinary abilities to right wrongs for a generation without a future? To fight for kids, just like them. One of those kids is Keisha Sherman, whose boyfriend just turned up dead after a suspicious car crash in Rook, Michigan ? a newly booming tech town that sprang from rags to super-riches seemingly overnight. When Keisha makes a desperate plea into her webcam, the local high school suddenly finds itself with several unusual new students? But as word of Generation Zero's presence spreads rapidly through the halls, this volatile band of teenage upstarts is about to discover that they're far from the most extraordinary thing lurking behind Rook's stainless-steel facade...

Wolf's Hook Rodney Marshall 2015-02-22 It was a sunny Saturday lunchtime in June 1944. Most of the inhabitants of a sleepy village situated in the 'Free Zone' of war-ravaged France were sitting down to a leisurely meal. Without warning, an attachment of Das Reich soldiers (the elite force of the Nazi's Waffen-SS division) arrived. Hours later, 642 defenceless people had been massacred; their homes were smouldering ruins. From these embers emerged life-affirming stories of survival as individuals defied machine-guns, snipers, explosives and burning buildings to escape the clutches of the deadly Wolf's Hook (the Das Reich emblem). *Wolf's Hook* is a factionalised account of the Das Reich attack on a hillside village. It recaptures the essence of what happened that day, using four first-

person narrative strands: a waiter, a young boy, an SS soldier and a grandmother. Through their eyes we see the terrifying day unravel. Not suitable for readers under 12.

Why? Rodney Marshall 2016-12-04 Father of two, David Jennings is divorced and working as a professor of literature in Singapore. Out of the blue he receives a phone call from his ex-wife, Anne. Their daughter, Kate, a promising university student, has been found dead on a bleak hillside outside Brighton. The police are convinced that she has taken her own life. The coroner's Open Verdict encourages him to start his own, guilt-ridden investigations into her death. As Jennings journeys into his daughter's past, the harrowing mission takes us to London, Bogot and the English coastline, in a search to understand "Why? But what if the truth is worse than not knowing?"

Travelling Man: A Critical Guide Rodney Marshall 2015-05-20 Drawing inspiration from the private detective and Western genres, as well as the cult 1960s series *The Fugitive*, Roger Marshall's mid-1980s drama *Travelling Man* was both critically acclaimed and commercially popular, drawing audiences of up to 13.2 million viewers. Ex-Drugs Squad detective and jailbird Alan Lomax is a fascinatingly flawed protagonist, but it is the setting of the canals and inland waterways of Britain which provide the unique charm of *Travelling Man*, offering the perfect backdrop for Lomax's nomadic quests. The canals also dictate the show's leisureed pace. Avengers expert Rodney Marshall offers a critical guide to all thirteen episodes, exploring the scripts, direction, characterisation, acting and music. "One thing about quiet waterways, you can hear footsteps."
