We offer you this proper as competently as easy quirk to acquire those all. We give Behind The Badge Real Stories From The Police Beat and numerous ebook collections from fictions to scientific research in any way. accompanied by them is this Behind The Badge Real Stories From The Police Beat that can be your partner.

A Cop's Life Sgt. Randy Sutton 2007-04-01 After September 11, 2001 Las Vegas Police Sergeant Randy Sutton began soliciting writing from law enforcement officers-his goal being to bridge the gap between the police and those they serve, with a book that offers a broad and thoughtful look at the many facets of police life. Hundreds of active and former officers responded from all over the United States: men and women from big cities and small towns, some who had written professionally, but most for the first time. Sutton culled the selections into five categories: The Beat, Line of Duty, War Stories, Officer Down, and Ground Zero. The result is True Blue, a collection of funny, charming, exciting, haunting stories about murder investigations, missing children, bungling burglars, car chases, lonely and desperate shut-ins, routine traffic stops, officers killed in the line of duty, and the life-changing events of September 11. Here, officers reveal their emotions-fear and pride, joy and disgust, shame and love-as they recount the defining moments of their careers. In these stories, the heart and soul behind the badge shines through in unexpected ways. True Blue will change the way we think about the deeply human realm of police service.

Behind the Badge Andrew Faull 2010-11-05 Every South African has a strong opinion on crime and policing, but most know very little about the lives and experiences of the average cop in the 185 000-strong South African Police Service. This book is composed of excerpts from interviews with current and former members of the service who, for the first time, share their personal experiences of life behind the badge. The book covers a wide range of themes, including reasons for signing up, training, policing under apartheid and transformation after 1994. It describes the experience of solving cases, using lethal force, being shot at and losing colleagues. Policemen and -women speak frankly about the psychological toll of police work and the impact on their family lives, and give startling insights into ethics, torture, corruption, sex and power. There is a mantra among police: 'What happens on the shift stays on the shift.' In Behind the Badge, members break through this wall of silence and reveal the hidden life of the police.

Behind the Badge David Heaukulani 2005 A collection of short stories told by cops and from observations by the author. It spans the period from the 1960's to the 21st century. The primary police venue is Hawaii but it mirrors police experience nationwide. Some of the stories were never meant to be public and were passed around only in social gatherings of cops. Now that some of the principals have long since retired and are passing away, the author wanted to capture some of the significant memoirs in print. It is a project similar to Steven Ambrose's Band of Brothers where he wanted to capture the memoirs of a small group of World War Two soldiers before their stories died with them. Examples in this book include a quiet police chief who decided to authorize a special squad to use force to take back control of the streets from the "bad boys." It tells the tale of a homicide lieutenant with a Dirty Harry attitude coping with Hawaii's first serial killer case. It highlights great police leaders, as well as poor examples of leadership. It tells the pain of cops being taken down by the U.S. Department of Justice Civil Rights Division. It tells about homosexual cops having difficulty watching hunks changing in the locker room. It tells about cops at play and cops at mischief. Included are sociological analyses in an attempt to explain why street cops think and act the way they do. At the conclusion you come away with a behind-the-scenes view of street cops as only a former cop can tell it.

Billboard 1957-08-26 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

True Blue Sgt. Randy Sutton 2005-03-01 After September 11, 2001 Las Vegas Police Sergeant Randy Sutton began soliciting writing from law enforcement officers-his goal being to bridge the gap between the police and those they serve, with a book that offers a broad and thoughtful look at the many facets of police life. Hundreds of active and former officers responded from all over the United States: men and women from big cities and small towns, some who had written professionally, but most for the first time. Sutton culled the selections into five categories: The Beat, Line of Duty, War Stories, Officer Down, and Ground Zero. The result is True Blue, a collection of funny, charming, exciting, haunting stories about murder investigations, missing children, bungling burglars, car chases, lonely and desperate shut-ins, routine traffic stops, officers killed in the line of duty, and the life-changing events of September 11. Here, officers reveal their emotions-fear and pride, joy and disgust, shame and love-as they recount the defining moments of their careers. In these stories, the heart and soul behind the badge shines through in unexpected ways. True Blue will change the way we think about the deeply human realm of police service.

True Police Stories of the Strange & Unexplained Ingrid P. Dean 2011-09-08 Early one evening, I was patrolling alone and decided to stop a vehicle with its taillight out. I had no way of knowing that this seemingly routine decision would lead to a strange twist of fate years later... These true, first-hand accounts from law enforcement officials across the nation reveal how intuition, apparitions, UFOs, prophetic dreams, and other forces beyond our understanding have impacted them in the course of duty. The weird and unexplained experiences in this book take place in the midst of the death-defying gun battles, thrilling rescues, and heart-searing tragedies that police officers face every day—and reveal the fascinating inner lives of the heroic men and women behind the badge.

American Heroes Coming Out from Behind the Badge Greg Miraglia 2010-12 Imagine working in a job you always dreamed of having and working in a career that excites and fulfills you in every way. Consider what it would be like to be highly successful in your work, admired by your peers, but always fearful that if anyone you work with discovered your secret, it could all be over. This is what it is like to be a closeted gay, lesbian, bisexual, or transgender member of law enforcement. And in the fire service and emergency medical services profession, the condition is even worse because of the common housing situation required while working a 24 to 48 hour shift. It's true that society as a whole has become more accepting of gay and lesbian people, but homophobia continues to be pervasive in much of the public safety arena. Most states still do not have any employment protection against harassment and discrimination based on sexual orientation. Imagine being fired from the job you love because of who you are. American Heroes Coming Out From Behind The Badge is Greg Miraglia's second book intended to show examples of how police officers, firefighters, and EMS professionals have been able to come out and be successful on the job. The stories come from across the country and tell of a very personal and courageous journey. They are intended to both inspire and educate. The book contains a section on how to come out as well as a section with resources and associations supporting LGBT public safety professionals. This book is ideal for anyone who is struggling to come out as well as for straight allies who want to learn more about how to support their LGBT colleagues.

Corruption Behind the Badge Johnny Powers 2018-10 In 2015 the American public was bombarded with several news reports about white police officers gunning down unarmed young black men. These stories were very disturbing to many folks, both black and white, and several believed these cases deserved further investigation. Unfortunately for the families of those who had died, justice for their fallen loved-one was nonexistent. In each case, the white killer was completely exonerated of all crimes. Had race relations between police and the black community decayed to a point reminiscent of the 1960's? Were these shootings truly race motivated, or were they inaccurately portrayed as racist to fit the popular narrative of a bias media? Through exhausting research, several very disturbing facts emerged. Police were killing unarmed men and women of all colors in huge numbers annually across the nation. And in nearly every case, the badge toting killer was not prosecuted for any crime. Other un-prosecuted violations of the law were also uncovered. Numerous sexual assaults, and rapes, by police officers against female suspects, were discovered. Plus, the apparent illegal act of arresting and overcrowding our jails with people who have committed no real crime, and are only incarcerated for unpaid debts. And the blatant murder of innocent pet dogs by police, for no justifiable reason, other than they can. Ladies and Gentlemen: There is strong evidence of a Double-Standard law enforcement policy in America today. The elite, including police officers, often receive an automatic free-pass for any crime they commit, while the average citizen, you and I, are always prosecuted to the full extent of the law. These troubling facts are the basis for this book. It is not anti-police or anti-government. It is anti-special treatment for anyone, including all police officers, because the American Rule of Law applies to all people in this country. And any unlawful use of power should not be tolerated on US soil. It's time every American knows the truth!

Behind Badge 32 2015

Murder Behind the Badge Stacy Dittrich 2010 Presents a collection of true-crime stories about police officers who abused their power and commited murder.

Behind the Badge Adam Davis 2018-05-01 Take time to refresh before you report. Respected by some and feared by others, law enforcement officers face daily pressures and dangers uncommon to other professions. Behind the Badge provides daily, spiritual nourishment that will encourage you professionally and personally. Filled with personal stories, relevant Scriptures, and practical prayers, the short devotions focus on themes such as peace, integrity, strength, family, protection, divine direction, preparedness, service, and more. Also included are powerful blessings and declarations that will inspire and strengthen. God has ordained the path you walk today. Let Behind the Badge help equip your steps and be a constant reminder of the permanent backup you have in God as you uphold the law.

Mary Jane's Grave Stacy Dittrich 2013-01-15

Coming Out from Behind the Badge Greg Miraglia 2007 This book is about how police officers can overcome law enforcement's unwritten "don't ask, don't tell" policy and live their lives as they were made to be. The book includes a collection of autobiographies of highly successful police officers from all over the country. These rarely published coming out stories of real police officers are intended to inspire the thousands of law enforcement officers who are still in the closet and who are searching for the courage to come out. This book is perfect for you if you are. . Working in law enforcement and thinking about coming out. . An out gay or lesbian in law enforcement. . A friend of someone in law enforcement who is gay and struggling. . An ally who wants to learn more about how to be supportive. . A law enforcement leader interested in creating an accepting diverse place to work. . A law enforcement psychologist who wants to better understand. . A young gay or lesbian person who is thinking about a law enforcement career. . Anyone who wants a look inside a secretive and intriguing part of law enforcement. www.comingoutfrombehindthebadge.com

Women Behind the Men Behind the Badge Alicia Williams 1997-01-01

My Twenty-Five Years Behind the Badge Bob Wilson 2020-12-29 My Twenty-Five Years Behind the Badge is about twenty-five years of police work as seen from behind the badge. The journey begins in 1968 when the writer, Bob Wilson, was a rookie patrolman with the Baltimore City Police Department and Baltimore was recovering from riots and major civil unrest.As a rookie officer, he saw it all; murders, rapes, robberies, burglaries, and much more. Wilson made his share of arrests and received several commendations for outstanding police work. He worked the streets as an Officer, a Sergeant, and as a Lieutenant. He was also an award-winning Crime Prevention and Community Relations Commander.While not a "tell-all" book there are many first-hand, behind-the-scenes looks at some of the seldom-told stories that many Police Officers experience.The focus of the book is community-oriented police programs the writer was intimately involved with, in their formulation and delivery to the citizens of Baltimore. Wilson believes that citizen involvement is the key to crime prevention, and he discusses many of the programs developed by his Unit during his seventeen years working in the community.He and his wife of 57 years live in the Baltimore, Md, area and have two daughters, four grandchildren, and six great-grandchildren.

The Spirit behind Badge 145 Jim McNeff 2013-12 We are enamored with stories about cops, but rarely do we get a chance to walk in the shoes of one while reading about the personal and spiritual battles waged when one is fighting crime. Jim's narrative will pull you into the moment of each crisis. These stories are the material of movies but they happened in real life. Jim will weave his experiences into the truth taught in Scripture. Whether or not you are part of the law enforcement community, you will be entertained by the adventures. Regardless of your relationship with Christ, you will be challenged to do something with the claims made by Jesus. There is engaging action in this book, but the serious purpose is that it will serve as a challenging devotional guide and bring you closer to Christ.

Behind the Badge Ron Cowart 2017-07-10 Cops tend to think and do things differently from the average, everyday citizen. And their sense-of-humor tends to be different as well. Things that may shock the average person are oftentimes considered hilarious by cops. While many agree that it's just one way of coping with what cops are subjected too on a daily basis, it also makes for some downright funny stories, not to mention cherished memories. The author has taken some of these stories, from two departments located in Baton Rouge, Louisiana and compiled them, for posterity, into Behind the Badge.

Pride and Honor Joseph A. Horak 2007-03 Murder, Arson, Burglary, Rape, Drugs, Drug Dealing, Drunk Driving, and Family Disputes, are all a part of the day to day life of a policeman. How he dealt with these issues is why Detective Horak is the kind of policeman I want in MY town. They are, with the exception of a few, dedicated, conscientious, brave and hard-working men and women. Detective Horak was a man that believed in honor and courage at the personal level. He did what he thought was right, regardless of the politics or personal sacrifice. In one story he spent 13 hours behind a door to catch five criminals... Even after his partner had gone home! I want more police men with Joe Horak's integrity and sense of duty working for me! Floyd Thompson

Behind and Beyond the Badge Donna Brown 2017-06-02 There's so much more to a police officer's badge that all first responders wear. But that's what the world sees. What's behind and beyond that badge is what people need to know-the person. Those behind the badge may wear a different uniform, but they too have families and love their communities. Each one faces all that life has to offer.

Marriage Over the Phone, Under the Radar and Behind the Badge Cop Wives Headquarters 2017-06-13 Marriage: Over the Phone, Under the Radar and Behind the Badge: a collection of short stories from the ladies of CWHQThis book contains stories of love, laughter, trials, ups, downs and even loss. We as a group have reached out to many who have lost and have gone through unthinkable trials. When we looked for books to help women through specific life issues, there was nothing for Law Enforcement Wives in the city we were born and as a group we wrote our stories to help others understand they are not alone. All proceeds from the sale of this book will go into our groups general fund and it will be used to continue our mission to help our law enforcement communities across the nation.

Stories Behind A Badge Leif J Tranemose 2019-12-10 Stockholm 2019 The Swedish Crown are under threat from an unknown group. Using an old obscure clause in the Constitution the King forms a task force known as The Crown's Royal Elite Guard, CREG for short. Their orders are short and precise. Find the people responsible and make the problems disappear. But who can they trust and who are their enemies? Detective Mikael Hansson is thrown into the chaotic mess when he gets put in charge by the King himself.

A Lighter Shade of Blue Scott Baker 2011-10-04 In the tradition of Leland Gregory's best-selling Stupid collections, retired NYPD officer Scott Baker and author Tom Philbin present A Lighter Shade of Blue. With authentic tales of life behind the badge, A Lighter Shade of Blue features hilarious anecdotes as told by the cops on the scene--everything from stupid crooks and bungled crimes to patrol etiquette, station house banter, and mangled English. From a gun-stealing chimpanzee to the good-natured hazing of a new recruit, A Lighter Shade of Blue mixes the hilarious with the downright unbelievable through more than 100 firsthand accounts from police officers across the United States and Canada. In addition, a handy glossary of funny cop lingo apprises readers of why they would much rather have a fat pill (buttered roll) as opposed to a finger wave (rectal exam). Consider A Lighter Shade of Blue as the ultimate ride-along--a sidesplitting collection rife with real stories from the cops who have seen and heard it all, including: * A rookie who is locked in the back of a cop car during his first patrol and driven, windows down, through an automatic car wash. * A gun-stealing chimpanzee. * A college professor attacked by a wild gang of teenage girls who promptly steal his watch.

Don Dupay 2016-03-07 Pimps, prostitutes, safe crackers, murderers, drug addicts, thieves and thugs--and of course, the Portland Police Bureau--Don DuPay introduces them all in this candid, entertaining and brutal look at the stark realities of police work. DuPay, a 17-year veteran of the force, has written an intimate memoir that will take the reader on an unforgettable journey, pulling back the curtain to reveal the true and shocking machinations that fueled police culture, during his time. It's a world of danger and contradictions, where officers are torn between their duties and the demands of survival. Police officers get dressed, strap on a gun, and go to war. It's a different war every day but it's still a war. In this unforgettable story, the reader is never left to choose between the good guys or the bad guys. DuPay keeps it real as he wrestles with a vocation that nearly destroyed him. DuPay provides, startling revelations about the corruption, burn-out and heartache that he experienced during his time on the force--dynamics which remain a common pattern in long-term law enforcement careers. Second edition includes new stories and photos.

Behind the Badge Milton Pool, Retired Captain 2017-09-18 Behind the Badge By: Milton Pool, Retired Captain Milton Pool was a policeman for thirty-four years for the Amarillo Police department. During that time he maintained a diary of interesting events. The stories in this book are real events that occurred during his tenure, stories that feature official misconduct and officers being at the wrong place at the wrong time. Pool tells the inside stories that do not appear in newspapers, such as the homicide of Katrina Moyer and how her murder was solved to the downfall of the sheriff of Potter County, Mike Shumate. Pool interviewed fugitive Captain L.R. Wynn who was convicted of murder and spent several years on the run before being captured. The interview occurred one day before Wynn died of cancer. Pool has worked for many chiefs during his time at the department; one chief in particular had a stormy beginning. He also includes a comical situation involving a can of peaches and how it solved a crime of indecent exposure which is a must read. This is Pool's second book about the police department. His first book, Cops Are People Too, was Pool's tribute to friends who encouraged him to pen the second book.

Convicted Behind the Badge Tyler Trent

Behind the Badge Michae; Cover 2014-01-18 This book is a collection of real life police stories by one officer of 24 years. They are from the viewpoint of the author without any sugar coating of the incidents or the officers involved. True to life.

The Police War Stories of a Police Officer Family George Wills 2017-04-06 Some people seem to want to get into the job of police work for the promotion in rank. These are the ones who seem to be low-keyed and uniform in their ways. Some people want to get into the job in order to make a difference in their cities and in their communities; these are usually the ones who are the most disappointed in the job.Some people want to get into police work for the excitement of crowd control and the lure of the narcotics trade; for the power and authority of being in control. I have no idea what is wrong with these people.And then, there are us. The loners. The ones who get into the job because we were born to it. The ones who want to get into the real stuff. We don't really care about the glory nor the promotions nor the rank. We want to stay on the street for as long as we are in the job. We want to stay as line policemen, with none of the babysitting responsibilities of rank. We never want to ever 'drive' a desk.We are the true street police officers; the purists. The ones who are forever testing themselves against whatever is out there. And we are rare. We do not usually get to last very long in this job, for one reason or another, but while we are in it, we do seem to get an awfully lot done in a very short period of time. And we are the ones who have the best war stories. Because this is why we signed on.The stories in this book are the reminiscences of a father and his two sons from their days in law enforcement. The stories restrict themselves to actual police work incidents. These stories actually happened, and are a slice of life that we experienced behind the badge. Enjoy.

Robert Pegg 2015-10-05 Although some scholars credit Shakespeare with creating in Henry IV's Falstaff the first "second banana" character (reviving him for Henry IV Part Two), most television historians agree that the popular co-star was born in 1955 when Art Carney, as Ed Norton, first addressed Jackie Gleason with a "Hey, Ralphie-boy," on The Honeymooners. The phenomenon has proved to be one of the most enduring achievements of the American sitcom, and oftentimes so popular that the co-star becomes the star. Twenty-nine of those popular co-stars get all of the attention in this work. Each chapter focuses on one television character and the actor or actress who brought him or her to life, and provides critical analysis, biographical information and, in several instances, interviews with the actors and actresses themselves. It includes people like Art Carney of The Honeymooners, Don Knotts of The Andy Griffith Show, Ted Knight of The Mary Tyler Moore Show, Max Baer of The Beverly Hillbillies, Vivian Vance and William Frawley of I Love Lucy, Ann B. Davis of The Brady Bunch, Jamie Farr of M*A*S*H, Ron Palillo of Welcome Back, Kotter, Jimmie Walker of Good Times, Tom Poston of Newhart and Michael Richards of Seinfeld, to name just a few.

Behind the Badge Ronald S. Manwaring 2019-06-24 This book contains a history of and stories about the Murphysboro Police Department. The majority of the information was compiled and written by Ronald S. Manwaring.

Warrior-Servant-Leader Pat Welsh 2015-08-20 Danger. Duty. Distrust. These three words accurately describe the everyday life of a cop: on and off duty. The danger and duty of protecting and serving comes with the job. Over my 26 year career, many people have told me, "I could never be a cop." They never heard the call to live the law enforcement officer's life of danger and duty. For others, it is an inherent distrust, and almost hatred, of police officers. But most people don't realize the distrust they have of cops is a two way street. Warrior, Servant, Leader. Three words citizens do not typically associate with cops. You hear the word cop and picture a guy in uniform, gun and badge and handcuffs, arresting someone or racing down the street with lights and siren screaming "get out of my way!" If you are stopped by a cop, you secretly say to yourself, "Why is he harassing me?" If you need a cop, one is never around. If you are a cop, you spend some days wishing "stupidity" was a crime so you could take everyone you meet to jail. This book will take a look at the Warriors, Servants and Leaders who wear the uniform of Law Enforcement. Life behind the badge is a life most cops guard and treasure. You will get a hard look at a life most people can only imagine. The stories and lessons shared are about cops, but this book applies also to the Warriors, Servants and Leaders in all walks of life. If you are a spouse or parent or businessman, student or pastor or your hardest job is just being yourself, the principles and lessons are entirely applicable. Take the Warrior-Servant-Leader self assessment at the end of the book to enhance your vision and journey as a Warrior, Servant and Leader. Thank you for sharing this journey with me.

Good Cop, Sad Cop, Behind the Badge Daniel B Boyer 2019-02-03 "I'll never forget the first time I killed a man. Wait...I'm getting way ahead of myself calling it a killing. Yes, I did kill him, but you couldn't really classify it as a murder. I shot him in order to save an innocent person's life, in the line of duty. I used to be a cop. Until I killed - but a justified shooting - a young man by the name of Tommy Ray Wallace. After that? I was a useless drunk. I lost everything. And the girl whose life I saved? She never even thanked me for it."So says Ben Striker, former cop - and hero. He lost everything that day, in the line of duty. His job, his family, his faith, his integrity, all gone in the blink of an eye. Cops are REAL heroes, who more often than not don't get the respect or recognition they deserve. Heroes are only human too, and at times, in the midst of all the horror and pain and helplessness they feel on the job - and at home, behind the badge - yes, they are vulnerable, and they may falter like everyone else. In the book GOOD COP, SAD COP, Author David Boyer provides an insight into the private lives of our men and women in blue, and how much they have to deal with behind the scenes, often having to suffer in silence.Please pray everyday for our Police Officers. They have a very tough job. We cannot expect them to wallow in the filth of society day in and day out without our full support and our prayers. Who among us is willing to give our lives for people we don't know or for people who don't care about us? That is what they are willing to do everyday they put on their uniform and leave home - and when they go back home, too.

Tales Behind the Badge Lawmen and Outlaws

The Hate U Give Angie Thomas 2017-05-29 Starr Carters beste vriend Khalil wordt doodgeschoten door een politieagent. Khalil had geen wapen op zak maar was 'vermoedelijk' een drugsdealer. Verslagen door emoties probeert Starr zichzelf te herpakken in een samenleving vol ongelijkheid. De armoedige buurt waarin ze woont geeft een groot contrast met de school waar ze elke dag naartoe gaat. Overleven in deze twee werelden wordt steeds lastiger en de waarheid spreken krijgt een hoge prijs.

Kristi Neace 2009-12-01 What wife of an officer hasn't lain awake at night wondering if her husband is safe, or has felt resentment when dinner once again grows cold all in the name of duty. In this book Kristi Neace brings forth real stories from LEO wives all over the country who have experienced similar issues such as: fear, anger, worry, respect, pride, thankfulness and much more. Each topic is inspired by a down-to-earth devotion reminding us that only through our Heavenly Father can we find peace in the midst of chaos; purpose in the eye of worldly indifference. Kristi covers the hot-button issues you're sure to face and gives you the tools to navigate in uncertain times.

BEHIND AND BEYOND THE BADGE - Volume II Donna Brown 2018-11-20 There is so much more to a police officer's badge, to any badge that all first responders wear. But that's what the world sees-a badge. What's behind and beyond that badge is what people need to know-the person.

Behind The Badge

Reginald E. Sharpe 2008-03-14 Charleston County Sheriff's Deputy Reggie Sharpe presents his experiences from fifteen years behind the badge, and holds forth on life, death, sex, drugs and humor in a straightforward, addictively readable style. True Stories from a Lowcountry Cop offers an insider's view, both honest and entertaining, of those sworn "to protect and serve."?

Behind the Badge Michael Cover 2014 Drawn from twenty-four years of experience working for a Southern California police department, Behind the Badge: A Policemans Legacy is a window into the true-life drama of life in the ranks of one of the countrys most dangerous jobs. No longer the realm of Mayberry R.F.D., but not yet the world of Blade Runner, this is the story of real men and women doing real jobs at the start of the twenty-¬first century.

De jongens van Nickel Colson Whitehead 2019-05-28 'De jongens van Nickel' van Colson Whitehead is de hartverscheurende opvolger van de bekroonde 'Underground Railroad' en vertelt het verhaal van de ondergrondse spoorweg'. In deze nieuwe roman ontleedt hij een nog recenter duister hoofdstuk uit de Amerikaanse geschiedenis – het tijdperk van de Jim Crow-rassenwetten in het Zuiden van Amerika – aan de hand van het verhaal van twee tieners op een helse tuchtschool in Florida. Het zijn de beginjaren van de burgerrechtenbeweging, en de zestienjarige Elwood Curtis gaat zijn toekomst vol vertrouwen tegemoet. Totdat hij vanwege een vergissing op de Nickel Academy belandt. Met name de zwarte jongens worden aan het sadisme van hun witte bewakers uitgeleverd. Misbruik, marteling en corruptie zijn aan de orde van de dag; voor het minste vergrijp worden de jongens 'naar achter' gebracht – vanwaar ze nooit meer terugkomen. In deze gruwelkamer is er voor Elwood één houvast: zijn vriend Turner, die geen enkele ambitie koestert, behalve ontsnappen uit Nickel.

Cop the Truth Behind the Badge

Rocky Warren 1998-01-01

The Beautiful Badge Martyn Routledge 2018-08 The Beautiful Badge is the first book to explore the history of football club badges. From the original Red Devil to the £10 canary, it looks at what inspired them, who crafted them and how fans reacted. Extensive illustrations show how badges followed fashion, negotiated copyright, and expressed the aspirations of owners, managers, and fans.

Jack H. R. Cannon 2013-07-25 Anyone interested in Law Enforcement will read what it is like to be a Police Officer, Detective and Command Officer, as well as understand what it takes to start a small business. The reader will see evidence of God's involvement in the writer's daily life. It is intended to encourage friends, family and others, especially those who come from broken homes or humble backgrounds and feel inferior when competing in life's everyday situations. It is true, authentic with visual proofs.

Ric Robinson 2003-02-20 "COP THE TRUTH BEHIND THE BADGE" True stories from cop-turned-author Ric Robinson about "scum-sucking slopeheads and their lying, thieving lawyers." Racial profiling, snipers, homeland insecurity, illegal immigrants, domestic violence, DNA, guns, drugs, force, pursuits, lies and more.
