Pleidooi voor de rechten van de vrouw Mary Wollstonecraft 2017-09-06
Terwijl de Franse Revolutie nog volop in beweging was, schreef de oermoeder van het feminisme, Mary Wollstonecraft, in 1792 haar Pleidooi voor de rechten van de vrouw. Daarin trok zij ten strijde tegen de achterstelling die vrouwen al sinds mensenheugenis moesten ondergaan en tegen de vooroordelen die vooraanstaande denkers uit die tijd over vrouwen koesterden. Vrouwen moesten wat haar betreft in alle opzichten dezelfde kansen krijgen als mannen. Ze moesten beroepen kunnen uitoefenen en bijvoorbeeld medicus of

vroedvrouw kunnen worden. En vrouwen hoorden vertegenwoordigd te zijn in de politiek, zodat ze zich de wet niet langer hoefden te laten voorschrijven door mannelijke politici.

Cross-Curricular ACT Eol 2000 G 11 Holt Rinehart & Winston 1999-04

Writing Centers and Writing Across the Curriculum Programs Robert W. Barnett 1999 Writing Centers have traditionally been viewed as marginalized facilities within their institutions. This book challenges that view by examining the evolving theoretical, practical, and institutional relationships between Writing Centers and Writing Across the Curriculum (WAC) Programs at the secondary and postsecondary levels. Based on their experiences at

particular institutions, expert contributors present a variety of approaches for establishing and developing effective partnerships between Writing Centers and WAC Programs. These partnerships have been given relatively little consideration in the larger field of composition and rhetoric. By deepening our knowledge of the merging of these two specialized areas of scholarship, the volume sets the foundation for more advanced research. The contributors present different perspectives that accurately portray the true diversity of Writing Center/WAC partnerships and their compatibility with larger institutional missions.
