Billboard 1979-12-08 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Stratocaster Manual Terry Burrows 2015-11-26 This book is chock-full of great photos and information on buying, maintaining, and repairing the legendary Fender electric guitar--the Stratocaster--from world-renowned guitar expert Terry Burrows.

Special Event Production: The Resources Doug Matthews 2015-09-14 This must-have guide to special event production resources looks deep behind the scenes of an event and dissects what it is that creates success. It analyses the resources and is an extensive reference guide to the technical details of a big event. It provides a thorough grounding on the specifications and performance of lighting and audio systems, visual presentation technology, special effects and temporary outdoor venues. This new edition includes: New content on: new audio -visual technology, industry safety standards, special effect platforms, décor and new custom forms of staging for both indoor and outdoor events. Updated and new case studies from USA, Canada, India, Russia and Malaysia New Industry Voice feature, including interviews with industry experts from around the world. Comprehensive coverage of venues, staging, seating, rigging, lighting, video, audio, scenic design and décor, CADD, entertainment, special effects, tenting, electrical power, fencing and sanitary

facilities in a variety of indoor and outdoor event settings. Enhanced online resources including: PowerPoint lecture slides, checklists, glossaries, additional questions and challenges, web links and video links. Incorporating pedagogical features, this easy-to-read book is packed with photographs, diagrams, flow charts, checklists, sample forms and real-life examples. The vast varieties of audio-visual technologies, outdoor venues, décor and staging are presented. A must have resource for event planners, managers, caterers and students. This text is part two of a two book set - also available is *Special Events Production: The Process* (978-1-138-78565-6). This book analyses the process - the planning and business aspects - to provide a unique guide to producing a variety of events from weddings to festivals.

De lange weg naar de vrijheid Nelson Mandela 2017-10-21

De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

iPod: The Missing Manual J.D. Biersdorfer 2008-10-09
With the tiny Shuffle, the Nano, the Classic, and the Touch, Apple's gotten the world hooked on portable music, pictures, videos -- and the iPod. One thing they haven't delivered, though, is an easy guide for getting the most from this sleek entertainment center. Enter *iPod: The Missing Manual*, 7th Edition -- a book as breathtaking, satisfying, and reliable as its subject. Now in a sleek, travel-friendly size, this new edition provides a no-nonsense view of iTunes 8 and everything in the latest iPod line, with crystal-clear explanations, easy-to-follow color graphics, and guidance on all the amazing things you can do, including: Out of the box and into your ears. Find out how to install iTunes and load music on your iPod. And get advice on buying copy-protection free songs from stores like Amazon and Rhapsody. Bopping around the iPod. Learn everything from turning it on and off to shaking your iPod Nano to shuffle your tracks. In tune with iTunes. Choose which parts of your iTunes library loads onto your iPod, move your sacred iTunes Folder to a bigger hard drive, and add album covers to your collection. Picking playlists like a Genius. Let iTunes' new Genius feature whip up smart playlists from your library, and suggest songs from the iTunes Store that fit with what you already own. The power of the 'Pod. Download movies and TV shows and learn how to play them on your iPod and finish viewing them on your TV. Play photo slideshows, find cool podcasts, and more. Welcome to the App Store. Soup up your iPod Touch, from upgrading to the 2.0 firmware to installing the iTunes Store's nifty new collection of programs -- including games that turn the Touch into a pocket 3-D arcade. Even if you don't buy one of the new iPod models, this

Missing Manual has plenty of information on the latest version of iTunes, the App Store and a whole lot more about Apple's incredible device.

The Historical Jesus of the Gospels Craig S. Keener
2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves; when interpreted in their early Jewish setting, their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars. So argues Craig Keener in *The Historical Jesus of the Gospels*. In exploring the depth and riches of the material found in the Synoptic Gospels, Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others, but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting. Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history.

The Publishers Weekly 1892

JBL Audio Engineering for Sound Reinforcement John M. Eargle 2002-05-01 (Book). This up-to-date book comprehensively covers all aspects of speech and music sound reinforcement. It is roughly divided into four sections: Section 1 provides the tutorial fundamentals that all audio engineers will need, discussing subjects such as fundamentals of acoustics, psychoacoustics, basic electrical theory and digital processing. Section 2 deals with the fundamental classes of hardware that the modern engineer will use, such as loudspeaker systems and components, microphones, mixers, amplifiers and signal processors. Special attention is given to digital techniques for system control and to audio

signal analysis. Section 3 deals with the basics of system design, from concept to final realization. It covers topics such as basic system type and speech intelligibility, site survey, user needs analysis and project management. Section 4 discusses individual design areas, such as sports facilities, large-scale tour sound systems, high-level music playback, systems for the theater, religious facilities, and other meeting spaces. The book is written in an accessible style, but does not lack for ample amounts of technical information. It is truly a book for the 21st century!

Proceedings 1989

ICES Zooplankton Methodology Manual Roger Harris
2000-02-14 The term "zooplankton" describes the community of floating, often microscopic, animals that inhabit aquatic environments. Being near the base of the food chain, they serve as food for larger animals, such as fish. The ICES (International Council for the Exploration of the Sea) Zooplankton Methodology Manual provides comprehensive coverage of modern techniques in zooplankton ecology written by a group of international experts. Chapters include sampling, acoustic and optical methods, estimation of feeding, growth, reproduction and metabolism, and up-to-date treatment of population genetics and modeling. This book will be a key reference work for marine scientists throughout the world. Sampling and experimental design Collecting zooplankton Techniques for assessing biomass and abundance Protozooplankton enumeration and biomass estimation New optical and acoustic techniques for estimating zooplankton biomass and abundance Methods for measuring zooplankton feeding, growth, reproduction and metabolism Population genetic analysis of zooplankton Modelling zooplankton dynamics This unique and comprehensive

reference work will be essential reading for marine and freshwater research scientists and graduates entering the field.

Popular Science 1994-07 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Qumran and Jerusalem Lawrence H. Schiffman 2010-03-08 With the full publication of the Dead Sea Scrolls come major changes in our understanding of these fascinating texts and their significance for the study of the history of Judaism and Christianity. One of the most significant changes that one cannot study Qumran without Jerusalem nor Jerusalem without Qumran is explored in this important volume. / Although the Scrolls preserve the peculiar ideology of the Qumran sect, much of the material also represents the common beliefs and practices of the Judaism of the time. Here Lawrence Schiffman mines these incredible documents to reveal their significance for the reconstruction of the history of Judaism. His investigation brings to life a period of immense significance for the history of the Western world.

Unmanly Men Brittany E. Wilson 2015-03-24 New Testament scholars typically assume that the men who pervade the pages of Luke's two volumes are models of an implied "manliness." Scholars rarely question how Lukan men measure up to ancient masculine mores, even though masculinity is increasingly becoming a topic of inquiry in the field of New Testament and its related disciplines. Drawing especially from gender-critical

work in classics, Brittany Wilson addresses this lacuna by examining key male characters in Luke-Acts in relation to constructions of masculinity in the Greco-Roman world. Of all Luke's male characters, Wilson maintains that four in particular problematize elite masculine norms: namely, Zechariah (the father of John the Baptist), the Ethiopian eunuch, Paul, and, above all, Jesus. She further explains that these men do not protect their bodily boundaries nor do they embody corporeal control, two interrelated male gender norms. Indeed, Zechariah loses his ability to speak, the Ethiopian eunuch is castrated, Paul loses his ability to see, and Jesus is put to death on the cross. With these bodily "violations," Wilson argues, Luke points to the all-powerful nature of God and in the process reconfigures--or refigures--men's own claims to power. Luke, however, not only refigures the so-called prerogative of male power, but he refigures the parameters of power itself. According to Luke, God provides an alternative construal of power in the figure of Jesus and thus redefines what it means to be masculine. Thus, for Luke, "real" men look manifestly unmanly. Wilson's findings in *Unmanly Men* will shatter long-held assumptions in scholarly circles and beyond about gendered interpretations of the New Testament, and how they can be used to understand the roles of the Bible's key characters.

Theatre and Architecture - Stage Design - Costume

Véronique Lemaire 2006 This long-awaited bibliography of recent books about theatre architecture, scenography and costume, published with the support of Belgian Ministry of Culture and the «Théâtre & Publics» Association, has been prepared in collaboration with experts in five languages: English, French, German, Italian and Russian.

This extensive bibliography, which meets the demands of the International Theatre Institute organizations and the International Organization of Scenographers, Theatre Architects and Technicians, will prove useful to theatre practitioners as well as to confirmed or young theatre scholars. Cette bibliographie rassemble un choix d'ouvrages sur le théâtre et l'architecture, la scénographie, le costume. Elle a bénéficié de la collaboration d'experts internationaux (anglais, français, allemands, italiens et russes). Répondant à la demande de l'IIT (Institut international du théâtre) et de l'OISTAT (Organisation internationale des scénographes, techniciens et architectes de théâtre), cette bibliographie en cinq langues est un précieux outil pour tout praticien et théoricien du théâtre.

South Africa Tim Doling 1999

Beginning from Jerusalem James D.G. Dunn 2009-03-16 In *Christianity in the making*, James D.G. Dunn examines in depth the major factors that shaped first-generation Christianity and beyond, exploring the parting of the ways between Christianity and Judaism, the Hellenization of Christianity, and responses to Gnosticism. He mines all the first- and second-century sources, including the New Testament Gospels, New Testament apocrypha, and such church fathers as Ignatius, Justin Martyr, and Irenaeus, showing how the Jesus tradition and the figures of James, Paul, Peter, and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity.

The Community Rules from Qumran Charlotte Hempel 2020-11-19 In this volume, Charlotte Hempel offers the first comprehensive commentary on all twelve ancient

manuscripts of the Rules of the Community, works which contain the most important descriptions of the organisation and values ascribed to the movement associated with the Dead Sea Scrolls. The best preserved copy of this work (1Q5) was one of the first scrolls to be published and has long dominated the scholarly assessment of the Rules. The approach adopted in this commentary is to capture the distinctive nature of each of the manuscripts based on a synoptic translation that presents all the manuscripts at a glance. Textual notes and Commentary deal with the picture derived from all preserved manuscripts. The publication of the Cave 4 manuscripts in 1998 can be likened to a volcanic eruption that challenged prevalent notions of the Community Rules that were founded on the quasi-archetypal status of the Cave 1 copy published in 1951. Since then the smoke has lifted and, as the pieces have begun to settle, we see green shoots emerging in the scholarly debate.. This commentary embraces the post-volcanic landscape of the Community Rules, which is carefully sifted for clues to establish a fresh reading of the material in conversation with the latest research on the Scrolls. The evidence suggests that some of the practices described as the beating heart of the movement's organization reflect the aspirations of a privileged sub-elite from the late Second Temple Period. Visiting Arts Regional Profile 1996

Emanuel Lawrence Schiffman 2002-12-17 This volume honors the lifetime of scholarly contribution and leadership of Professor Emanuel Tov. Colleagues from all over the world have contributed significant studies in the Hebrew Bible, its Greek translations, and the Dead Sea Scrolls. **Audio Amateur** 1992

From the Damascus Covenant to the Covenant of the

Community Stephen Hultgren 2007-03-12 This volume offers new insight into the origins of the "new covenant in the land of Damascus" and the Qumran community, and explores topics related to their covenantal theology.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office 1977

Special Event Production Doug Matthews 2008 Provides a grounding on the specifications and performance of lighting and audio systems, visual presentation technology, special effects and temporary outdoor venues. This book offers an overview of the decorative, audio-visual and special events options available to producers.

Stage Management Lawrence Stern 2021-11-23 Now in its twelfth edition, Stage Management is the comprehensive go-to manual on stage management in all theatre environments. Revered as the authoritative resource for stage management, this text is rich with practical resources, including checklists, diagrams, examples, forms, and step-by-step directions. In addition to sharing their own expertise, Stern and Gold have gathered practical advice from working stage managers of Broadway, off-Broadway, touring companies, regional, community, and 99-seat Equity waiver theatres. This new edition has been fully updated with new technology and best practices, including: New websites for stage management tools and software Updated Equity rules Additional safety and emergency protocols New voices from practicing stage managers in text boxes and case studies scattered throughout the book. This practical guide is written for students of Stage Management in Theatre programs, as well as early career stage managers. The companion website features paperwork templates, downloadable checklists, suggested readings,

a list of websites and apps with today's cutting-edge stage management technology, and a list of over 500 internships and apprenticeships available across the United States.

Manual of Clinical Oncology F.Xavier Bosch 2013-12-21 While our knowledge about cancer is proliferating rapidly, our principles of cancer medicine for individual patients and for populations are evolving only gradually. Our fundamental understanding of cancer causes and development is incomplete, and our treatments are nonspecific and less often curative than we would like. Nevertheless, worldwide, our major challenge remains to apply to our populations all that we know about cancer. To meet this challenge, doctors everywhere need a broad view and understanding of cancer causes and control. This book is intended for doctors-in-training and clinical medical practitioners; it provides principles across the breadth of cancer medicine. The editors and authors believe that it is possible to reduce the exposition of current knowledge to the compact 40 chapters and 600 pages presented here without losing the comprehensiveness, richness, and pragmatic detail that doctors need. This compilation presumes knowledge of the basic sciences, particularly genetics, pathology, anatomy, and physiology. We have tried to balance scientific exposition with practical material in prevention, early detection, and palliative care, which are the major areas of public health medicine where greater attention is needed worldwide. While this book is based, in part, on material prepared for previous editions, each chapter has been newly written and edited by the authors and editorial staff for this edition.

Oudtestamentische Studien 1950

The Manual of Discipline Wouter G. Werner 2018-10-16
From Death to Life Randall D. Chesnutt 1995-05-01 This monograph, the first in English on any aspect of Joseph and Aseneth, examines Aseneth's conversion as narrated in this important but neglected apocryphal Jewish romance. An extensive history of research on Joseph and Aseneth and an analysis of key issues such as text, original language, character, provenance, date, and genre, precede and inform the study of conversion. The story of Aseneth's conversion has too often been understood on the basis of premature and superficial comparisons with other paradigms of conversion and initiation in the Hellenistic world. As a corrective, Chesnutt assigns priority to descriptive over comparative analysis. He draws comparisons and contrasts with other models of conversion and initiation only after he has carefully examined Aseneth's conversion in its own right within the literary context of Joseph and Aseneth and the social context which the document itself reflects. The attention not only to conversion but also

to much broader social and religious dimensions of Judaism in antiquity makes this book important for specialists in Christian origins, Greco-Roman religions, women's studies, and patristics, as well as the history of Judaism

Subject Guide to Children's Books in Print 1984

Purity and Holiness Marcel Poorthuis 2020-01-29 Purity has long been recognized as one of the essential drives which determines humankind's relationship with the holy. This volume studies the 'pure' and 'holy' from both Christian and Jewish perspectives, beginning with the Hebrew Bible, and proceeding on to the New Testament, Qumran, Rabbinics, Patristics and reaching even the medieval and modern times. A wide array of disciplines are used including exegesis, archaeology, liturgy, feminist studies and anthropology, all coming together to study the complex phenomena of purity within its religious and social framework.
