We know many children are obsessed with watching videos. Our books allow children to enjoy the pictures from our videos and let parents share the experience of the songs while they limit screen time. Every page uses a frame from our video and displays the lyrics in large, easy to read text. The book also includes a coloring book section where your children can add their own artistic touches to the pictures. The Wheels on the Bus book is great for babies and toddlers who will enjoy looking at the pictures of cute animals riding on the bus, the bird that follows them around, the funny-looking houses in the town and the color scheme. Young children will enjoy singing the songs and even learning to read along with words they have known for years. And kids of all ages will enjoy singing the songs with their parents. All our videos and books take place in the small town of Wampadoo, nestled within ice cream scoop-like rolling hills. The houses are very colorful, generally cylindrical in shape. The town is populated by animals. There is a family of cats (including three little kittens with very cute mittens), a horse who drives a bus (and longs to be the captain of a ship), five little monkeys who love to jump on beds (one of whom is an aspiring rock star), a lion who reads books about how to fly planes, a frog that dreams of swimming with dolphins, two pigs who dream of starting a family, and a wily green bird who loves to torment the bus-driving horse. We are developing this series of books using our library of videos.
